Healthcare Estates® Conference. Exhibition. Hybrid.

IHEEM

HOSPITALS OF THE FUTURE

Monday 18 October

DIGITAL CONFERENCE

09:00-09:30 **Welcome from Pete Sellars, Chief Executive Officer & Paul Fenton MBE, President, IHEEM**

09:30-10:00 Online Exhibition & Digital Networking

Keynote Address

10:00-10:30 An Introduction to the New Hospital Programme's Commercial Philosophy
Emma-Jane Houghton, Commercial Director, New Hospital Programme
10:30-11:00 In Conversation with David Flory, CBE, *Designate Chair, Lancashire and South Cumbria ICS , Interim Chair, Cheshire and Merseyside ICS*
Chaired by Pete Sellars, IHEEM CEO

Strategy

11:05-11:45 Wolfson Economics Prize 2021
Robert Ede, Head of Health & Social Care/Prize Director, Policy Exchange Chaired by Jonathan Erskine, Executive Director, EUHPN

Design & Construction

11:05-11:45 Digital Challenges for the Healthcare Estate
Steve Batson, Stephen George; Graeme Hall, Executive Chairman, Brandon Medical. Chaired by Jonathan Stewart, National Chair, HEFMA

System Governance

11:05-11:45 Do We Know Which Hospital to Build and Why We're Doing it?
Stephen Wright, Independent Economic Consultant, Honorary Professor, University College London

Sustainability

11:05-11:45 Achieving Net Zero Carbon, Lessons Learnt from Trusts Leading the Way Using the Public Sector Decarbonisation Scheme
Terry Hull, Strategic Asset Services Director, GMS; Stew Watson, Head of Estates Development, The Royal Wolverhampton NHS Trust; Stephen Lowndes, Technical Director, Carbon & Energy Fund. Chaired by Andrew Chatten, Director of Estates & Facilities, Nottingham University Hospital

11:45-12:15 Online Exhibition & Digital Networking

12:15-12:55 Primary Care Estates Challenges
David Gratrix, Projects Director, Castle Gate Projects Ltd

13:00-13:40 Why System Wide Infrastructure Planning is Essential to Deliver an Efficient and Sustainable Health System
Nicola Theron, Director of Estates, North Central London, ICS; Ian Sabini, Managing Consultant, Gbpartnerships Consult. Chaired by Mark Williams, Director, EDGE

12:15-12:55 Maintaining Quality Through Design & Construction - Approach to Quality Monitoring and Assurance
Richard Beattie, Senior Engineer, Health Facilities Scotland. Chaired by Simon Adamson, Deputy Director of Estates & Facilities, Bradford District Care NHS Foundation Trust

13:00-14:00 The Future of Healthcare Design
Jamie Bishop, Fleet Architects, Hannah Brewster, ADP. Chaired by Alice Green

12:15-12:55 Defining an Improved Asset Management and Lifecycle Capability for the NHS
Keith Hamer - Managing Director Gloucestershire Managed Services Chaired by Phil Wade, Static Systems

13:00-13:40 The Revised HTM 03-01 Specialised Ventilation for Healthcare Premises & HBN 06 Imaging and HBN 11 Primary Care
Malcolm Thomas, Main Author HTM03-01, Malcolm Thomas Consultancy

12:15-12:55 Decarbonising the NHS
Sameen Khan, Saliax Finance

13:00-13:40 The Roadmap to a Net Zero Hospital
David Evans, Schneider Electric

13:40-14:00 Online Exhibition & Digital Networking

14:00-14:40 'Our Homes Within A Park' - Proactive Delivery of the Health and Wellbeing Agenda in Partnership with Alder Hey Children's NHS Foundation Trust
Harinder Dhaliwal, CEO, Step Places; Louise Shepherd, Alder Hey Chief Executive Officer

14:40-15:20 Redeveloping Land for Financial, Strategic and Environmental Gain
Mark Trumper, London Northwest University Healthcare NHS Trust. Chaired by Duane Passman, Acute Redevelopment Programme Director, West Hertfordshire Hospitals NHS Trust

15:20-16:00 Producing an Approvable NHS Business Case in a Dynamic Policy Environment
Helen Pickering, Senior Director, Currie & Brown; Martin Clark, Director of Healthcare Advisory Service. Chaired by Duane Passman, Acute Redevelopment Programme Director, West Hertfordshire Hospitals NHS Trust

14:00-14:40 Principles of Design for Ergonomic Pendant Solutions for Minimally Invasive Surgery and Shorter Recovery Times in Intensive Care Units
Scott Pickering, Brandon Medical

14:40-15:20 Let's Not Forget Those Who Forget! What Individuals With Dementia Think of The Design of Their Living Environment?
Loukia Minetou, PHD Student; Dr Evangelia Chrysikou; Dr Niamh Murtagh, Bartlett School of Construction and Project Management UCL. Chaired by Mark Williams, Director, EDGE

15:20-16:00 Designing Mental Healthcare Settings to Prioritise Access to Outdoor Space: The Benefits for Wellbeing
Ruairi Reeves, Medical Architecture. Chaired by Simon Adamson, Deputy Director of Estates & Facilities, Bradford District Care NHS Foundation Trust

14:00-14:40 Fire Safety Management Competency
Andrew Foolkes, Tenos Ltd

14:40-15:20 How to Optimise a Hospital's Maintenance and Operations
Paul Armstrong, Schneider Electric

15:20-16:00 From Conception to Completion in 12 months - Modern Methods of Construction in Healthcare
Sarah Wallwork, Healthcare Planning Lead, Mott MacDonald. Chaired by Phil Wade, Static Systems

14:00-14:40 Addressing the Challenge to Becoming Net Zero
Gail Scholes, Head of Public Sector and Housing, Zenergi

14:40-15:20 Meeting the NHS Net Zero 2040 Challange
Paul Graham, Kingston Hospital NHS Trust; Julian Miller, Ameresco Ltd

15:20-16:00 The Greenest Health Building in the UK
Eugene Prinsloo; Jamie Andrews, Community Health Patnerships

16:00-16:30 Online Exhibition & Digital Networking

16:30-17:10 Future Healthcare Planning - Panel Discussion
Jonathan Erskin, Executive Director, EUHPN, Prof Grant Mills, Professor of Healthcare Infrastructure Delivery & Dr Anne Symons, Senior Research Fellow in Healthcare Design and Raed Ashour, Researcher, The Bartlett School of Sustainable Construction, Steve Batson, Studio Director, Stephen George Partnership, Stephen Wright, Independent Economic Consultant, Honorary Professor, University College London. Chaired by Pete Sellars, CEO, IHEEM

16:30-17:10 Delivering on The Potential of Modern Methods of Construction (MMC) Approaches For The Health Estate
Rob Ewen, K2 Consultancy. Chaired by Duane Passman, Acute Redevelopment Programme Director, West Hertfordshire Hospitals NHS Trust

16:30-17:10 Technical Standards and Guidance Update Programme: Lesson Learned & Next Steps
Michael Rope, Head of Technical Guidance, NHS England & Improvement Estates

16:30-17:10 Decarbonising Healthcare - Delivering NHS Net Zero Ambitions
Richard McWillians, Turner & Townsend

INFRASTRUCTURE & FUTURE RESILIENCE

Tuesday 19 October

DIGITAL CONFERENCE | LIVE EXHIBITION

09:30-10:00 Exhibition/Platform Visit/Networking

Keynote Address

10:00-11:00 Preparing for and Dealing with the Unexpected.
Scott Hislop, Programme Delivery, NHSX & David Fassam, National Investigator, Healthcare Safety Investigation Branch (HSIB). Chaired By Nigel Keery, Head of Estates Operations, Belfast Health and Social Care Trust

Operational Management

11:05-11:45 How the Use of Platform-Based Approaches Help Deliver Net Zero Carbon Community Buildings at an Affordable Scale
Anastasia Chrysafi, Tim Carey, Willmot Dixon

Infrastructure Resilience

11:05-11:45 NHS Scotland Assure
Eddie McLaughlan, Assistant Director, Engineering, Environment and Decontamination, NHS National Services Scotland. Chaired by Alison Ryan, Deputy Healthcare Lead, Mott Macdonald

COVID-19 Lessons Learnt

11:05-11:45 The Emergency Department's Response to COVID-19: How Reactive Changes in Flow and Communications has Reshaped Our Vision for Future A&E Designs
Jon Huddy, Huddy Healthcare Solutions; Duncan Sissons, Sissons Consult Ltd. Chaired by Paul Fenton MBE, President, IHEEM

Future Requirements

12:15-12:55 Future Carbon Standards
Fiona Daly, National Sustainability and Workforce Lead, Estates and Facilities, NHSE&I, Rebecca Stubbs, Technical Advisor, Mott Macdonald, Paul Ruyssevelt, Professor of Energy and Building Performance at UCL Energy Institute, University College London Chaired By Ian Hinitt, Director of Estates and Facilities, Rotherham NHS FT

11:45-12:15 Exhibition/Digital Platform Visit/Networking

12:15-12:55 Finding the True Value in Your BMS
John Dorward, Honeywell – Trend

13:00-13:40 Protecting IOT Communication of Emergency Lighting in Healthcare Premises
Alan Daniels, P4. Chaired by Mark Williams, Director, EDGE

12:15-12:55 Deliver Site Cost Savings & Improve Power Efficiency With One Power Monitoring System
Richard Govier, Socomec UK Ltd

13:00-13:40 Principles of Insulating Monitoring Devices in Hospital Medical IT Systems
Matthew Mears, Bender UK. Chaired by Alison Ryan, Deputy Healthcare Lead, Mott Macdonald

12:15-12:55 Healthcare Provision in a Pandemic
Karina Jones, Eta Projects. Chaired by Paul Fenton MBE, President, IHEEM

13:00-13:40 COVID-19 Compliant Facility at New Cross Hospital
Simon Bourke, RPS Group

12:15-12:55 Delivering New Hospitals Fit for an Uncertain Future
Martina Cardi, Bryden Wood

13:00-14:00 Procurement, Policy and Standards: How Do We Build What We Actually Need?
Robbie Blackhurst, Procure Partnerships; Michelle Humphreys, Director of Strategic Projects, Manchester University NHS Foundation Trust; Steve Bentley, Mott Macdonald; Conor Ellis, Archus Chaired by Gareth Banks

13:40-14:00 Exhibition/Digital Platform Visit/Networking

14:00-14:40 NHS Good Food, Good Health
Phil Shelley, Senior Operational & Policy Manager – Soft FM & Emma Brookes, Head of Soft FM Strategy & Operations, NHS Estates & Facilities, Commercial Directorate. Chaired by Adrian Eggleton, National Estates Operational Lead, NHSE&I

14:40-15:20 Promoting Healthy Eating in Hospital/Ward Catering
Sue Brown, Associate Development Director; David Houghton Senior Project Manager, Alder Hey Childrens NHSFT

15:20-16:00 Chillers & Heat Pumps in Healthcare Premesis
Sigrid Volkmann, STS

14:00-14:40 Neutral Earthing and Fault Clearance With UPS Systems
Alex Emms, Kohler Uninterruptible Power. Chaired by Paul Harris, Chair IHEEM Electrical Technical Platform

14:40-15:20 Design Considerations for the Modern Operating Theatre: Supporting the implementation of UHD Medical Video, Audio and AI capability
Richard McAuley, Brandon Medical

15:20-16:00 Battery Storage Installations for Hospitals
Bill Reeves, Eta Projects. Chaired by Paul Harris, Chair IHEEM Electrical Technical Platform

14:40-15:20 Ventilation Systems in Hospitals and COVID-19. What did we learn from the Pandemic?
Ben Ledger, Overclean Ltd. Chaired by Richard Harris, IHEEM AE(V)

15:20-16:00 COVID-19 Safe Re-Opening Case Study
Frank Mills, Frank Mills Consultancy

14:00-14:40 Challenging Hospital Planners and Designers to Early Integrate the Specialist Engineering and Manufacturing Supply Chain
Prof Grant Mills, Professor of Healthcare Infrastructure Delivery & Dr Anne Symons, Senior Research Fellow in Healthcare Design & Raed Ashour, Researcher, The Bartlett School of Sustainable Construction. Chaired by Mark Williams, Director, EDGE

14:40-15:20 COVID-19 & Healthcare Integration
Smriti Singh, Arcadis

15:20-16:00 Providing a Safe Environment for Operating on Non-Infectious and Infectious patients
Richard Knight, Richard Knight Consultancy Ltd

16:00-16:30 Exhibition/Digital Platform Visit/Networking

16:30-17:10 Storage of Energy for Low Temperature Hot Water, Domestic Hot Water and Sterilisation in the Healthcare industry
Spirax Sarco

16:30-17:10 The Knowledge of Power - BMS Optimisation
Stewart Royle; Martin Norris, Saker Controls Ltd

16:30-17:10 "PROTECT" – COVID-19 National Core Study
Professor Catherine Noakes, OBE, Professor of Environmental Engineering for Buildings, University of Leeds. Chaired by Duncan Sissons

16:30-17:10 Technology to Capture, Extract and Purify Waste Anaesthetic Gases
Dr Matt Gopal, Head of Clinical Engagement, SageTech Medical Equipment Ltd. Chaired by Richard Harris, IHEEM AE(V)

18:15-19:30 Drinks Reception within the Exhibition Hall & Virtual Awards

SCIENCE & INNOVATION

Wednesday 20 October

DIGITAL CONFERENCE | **LIVE EXHIBITION**

09:30-10:00 Exhibition/Platform Visit/Networking

Keynote Address

10:00-11:00 Panel Discussion: Infection Resilience Environments
Dr Shaun Fitzgerald OBE, Director, Centre for Climate Repair at Cambridge
Prof Peter Guthrie, Professor of Engineering for Sustainable Development, Department of Engineering, University of Cambridge
Prof Catherine Noakes OBE, Professor of Environmental Engineering for Buildings, University of Leeds
Andrew Poplett, Chair of IHEEM Ventilation Technical Platform
Chaired by Paul Fenton MBE, IHEEM President

Research

11:05-11:45 Innovation in the New Alder Hey Hospital
Claire Liddy, Managing Director, Innovation; David Powell Development Director, Alder Hey Childrens NHSFT. Chaired by Alison Ryan, Deputy Healthcare Lead, Mott Macdonald

12:15-12:55 User-Led, Innovative Healthcare Building Design
Rachel Beverley-Stevenson, OneMedical Property

13:00-13:40 Safe Sustainable Operating Theatre Design in a Modern NHS
Rabiya Zia, University of Cambridge

New Technologies

11:05-11:45 The Future of Diagnostics with Facible's Quantum-Logic Aptamer Analyte Detection
Dr Steven Burden, Founder & CEO, Facible. Chaired by Paul Harris, Chair IHEEM Electrical Technical Platform

12:15-12:55 Big Savings, Greater Efficiency, Optimised Care: Building Intelligence Platforms will Transform Hospitals
Rob Faro & Chris Evans, Tclarke. Chaired by Karina Jones, IHEEM AE(W)

Case Studies

11:05-11:45 "Wayfinding+" The Art of Better Orientation
Martin Jones, Art in Site. Chaired by Karina Jones, IHEEM AE(W)

12:15-12:55 Creating Community Spaces for Patient Wellbeing
Alison Davies & Paul Cross NHS Property Services

13:00-14:00 Virtually Healthy: How Digital Transformation is Changing the Design of Healthcare Environments
Claire Liddy, Managing Director of Innovation, Alder Hey Children's NHS Foundation Trust. Chaired by Paul Gilligan

IHEEM Technical Platforms

11:05-11:45 IHEEM Ventilation Technical Platform, HTM 03-01 (2021) – Update and Overview of Major Changes,
Andrew Poplett, IHEEM Ventilation Technical Platform Chair

12:15-12:55 IHEEM Electrical Technical Platform, How resilient is your Zero Carbon Electrical infrastructure?
Eugene Conroy, IHEEM Electrical Technical Platform Member

13:00-13:40 IHEEM Fire Safety Technical Platform
Stephen Ball, MSc, IHEEM Fire Safety Technical Platform Member

11:45-12:15 Exhibition/Digital Platform Visit/Networking

13:40-14:00 Exhibition/Digital Platform Visit/Networking

14:00-14:40 Decision Tools for Improving Energy and Environmental Performance of Hospital Energy Systems
Muditha Abeysekera, Cardiff University

14:40-15:20 Physical Control of Microbiologically Contaminated Water in Healthcare Facilities
Elema Tuccori, Pall

15:20-16:00 Application of HVAC Air Filtration to Minimize Airborne Infection Risk
Peter Dyment, Camfil

14:40-15:20 Pharmafilter A Cleaner Hospital, A Heathier Environment where Health, Green and Clean-Tech Merge
Peter Kelly, Pharmafilter

15:20-16:00 UVC Light Based Technology Solutions for Better Healthcare Premise
Rasib Khan, 3H Technologies Ltd. Chaired by Paul Harris, Chair IHEEM Electrical Technical Platform

14:00-14:40 Spatial Analytics - The Evolution of Space in the NHS
Ken Gordon & Dr Andrew Dobbins, Micad

14:40-15:20 Building the Nightingale Hospital North West – Q&A
Emma Lepley, Architect Associate, BDP Manchester; Matthew Hird, Architect Associate, BDP Manchester Juliette Cosgrove, Chief Nurse and Director of Clinical Governance, NHS Professionals; Garry Bowker, Regional Director, North-West, Vinci

15:20-16:00 Transforming Community Health Services Whilst Retaining Services on Site
Matt Tebbatt, One Creative Environments & Mark Jones, ADO Strategic Estates & Capital Planning, South Warwickshire NHS Foundation Trust

14:00-14:40 IHEEM Water Technical Platform
Steve Mount, IHEEM Water Technical Platform Member

14:40-15:20 IHEEM Professional Development Committee Update
Carl McKenzie

15:20-16:00 IHEEM Decontamination Platform, JAG/IHEEM Audit Tool – An Evolving Partnership to Raise Standards
Brian Kirk, IHEEM Decontamination Technical Platform, Chair and John Prendergast, IHEEM Decontamination Technical Platform, Member

16:00-16:30 Exhibition/Digital Platform Visit/Networking

16:30-17:10 Making the Invisible, Visible - Airborne Particle Monitoring and Control Systems Integration with Ventilation Canopies for Improved Infection Control and Higher Patient and Staff Safety
Scott Pickering, Brandon Medical. Chaired by Duncan Sissons

16:30-17:10 Wireless Bluetooth Mesh Lighting controls in Big Projects
Stephen Jackson, Casambi Technologies Oy. Chaired by Paul Harris, Chair IHEEM Electrical Technical Platform

16:30-17:10 The Digital Hospital Experience
David Evans, Schneider Electric. Chaired by Mark Williams, Director, EDGE

16:30-17:10 IHEEM ADBE Technical Platform

All Healthcare Estates 2021 Conference Content has been approved as certified CPD through the CPD Certification Service

WORKFORCE

Thursday 21 October

DIGITAL CONFERENCE

09:30-10:00 Online Exhibition & Digital Networking

Keynote Address

10:00-11:00 Fighting with Pride: The LGBT+ Military Charity
Craig Jones and Caroline Paige, CEO's, Fighting With Pride

Looking After Our People

11:05-11:45 The Faraday Challenge and How IET are Supporting STEM Education Programmes
David Lakin, Head of Education, Safeguarding & Education Policy, IET, Chaired by Paul Fenton MBE, IHEEM President

Belonging

11:05-11:45
Louise Clark, Deputy Director of EFM, Guys and St Thomas. Chaired by Kim Shelley, Director Eta Projects & Chair of IHEEM Diversity and Inclusion Working Group to all of the belonging stream

New Ways Of Working

11:05-11:45 "Through the Looking Glass" - International Panel Discussion Implications of COVID-19 on the Wellbing of the Hospital & Health System Workforce.
Chaired by Jonathan Erskine, Executive Director, EUHPN. Cristiana Caira, Partner, White Arkitekter Flemming Schmidt, Global Market Director, Ramboll Group A/S Micha Kämpfer, Co-Founder, Comentum; Anne Richter, Senior Consultant, Comentum; Caroline Raben Mogensen, Manager, Ramboll Group A/S. Chaired by Jonathan Erksine, Executive Director, EUHPN

Growing For The Future

11:05-11:35
TAHPI, IHEEM Knowledge Partner

11:35-12:05
Asset Wisdom, IHEEM Knowledge Partner

11:45-12:15 Online Exhibition & Digital Networking

12:15-12:55 Career Map
Monira Kaouech, Project Support Officer, IHEEM

13:00-13:40 MyIHEEM CPD
Tania Davies, Chief Operating Officer, IHEEM

12:15-12:55
Karol Kuczera, Diversity & Inclusion and Staff Experience Programme Manager, NHSE&I and Nick Groves, Associate Director Workforce Strategy & Transformation & LGBTQ+ Network Convenor

13:00-13:40 InterEngineering and How This Inspired the Focus on Masculinity in Engineering
Dr Mark McBride-Wright, Founder & Managing Director, EqualEngineers

12:15-12:55 Methods and Predictive Models to Stress-test Hospital-wide Medical Planning Solutions for High Performance
Jon Huddy & David White

13:00-14:00 Engagement on the Edge: Design team lessons learned from a pandemic.
Chris Thornton, ADP, Chaired by Paul Gilligan

13:00-13:30
PPL Training, IHEEM Knowledge Partner

13:35-14:05
Eta Projects, IHEEM Knowledge Partner

13:40-14:00 Online Exhibition & Digital Networking

14:00-14:40 National Apprentice Programme
Eileen M Bayles, Regional Training & Development Manager, Northern & Yorkshire NHS Assessment Centre; Simon Dennis, Commercial Manager, Salisbury Procurement Hub

14:40-15:20 Up-skilling the NHS Estates and Facilities Workforce; the Facilities Management Apprenticeship degree'
Dr Peter Farrell, Programme Lead, University of Bolton & Lucy Rowe, National Diversity and Young Persons Lead for NHSE&I. Chaired by Mark Williams, Director, EDGE

14:00-14:40 Mermaids Charity
Mermaids Charity

14:40-15:20 Fighting with Pride Panel Discussion
Gareth Longley, Chair of Manchester Spartans

15:20-16:00 *Gareth Longley, Chair of Manchester Spartans*

14:00-14:40 "Lightworks": Combining Artwork With Lighting to Combat the Clinical Dark Age
Louisa Williams, Art in Site. Chaired by Claire Hennessy, Director of Estates and Facilities Birmingham Community Healthcare NHSFT

14:40-15:20 Lessons from the Pandemic for the Next Generation of Hospitals
Paul Fenton MBE, Associate Director of Estates & Facilities East Suffolk & North Essex NHSFT, Duane Passman, Acute Redevelopment Programme Director, West Hertfordshire Hospitals NHS Trust, Kevin Oxley, Director of Estates, Facilities and Capital Planning, South Tees Hospitals NHSFT. Chaired by Nigel Edwards, Chief Executive, Nuffield Trust

14:05-14:35
Spirax Sarco, IHEEM Knowledge Partner

14:35-15:05
Immerse Training, IHEEM Knowledge Partner

15:30-16:00
SFG20, IHEEM Knowledge Partner

16:00-16:30
Dudley IOT, IHEEM Knowledge Partner

16:00-16:30 Online Exhibition & Digital Networking

INTERNATIONAL PERSPECTIVE

Friday 22 October

DIGITAL CONFERENCE

Healthcare Provision, Operation and Management

09:00-10:00 Online Exhibition & Digital Networking

10:00-11:00 Update from International Federation of Healthcare Engineering
Daniela Pedrini, IFHE President & Darryl Pitcher, CEO Bethsalem Care & Past IFHE President. Chaired by Duncan Sissons

11:05-12:05 How to Increase the Safety of Medical Personnel in a Hospital - Protective Airflow Solution
Ismo Grönval, Halton

12:05-13:00 Online Exhibition & Digital Networking

14:05-15:05 Parkhjørnet - A Fully Automated Centralized Sterile Services Building at Haukeland Hospital in Bergen
Thomas Leitner, Rambøll Denmark

15:05-15:30 Infrastructure Climate Change Action
Peter Smyth, Assistant National Director Capital & Estates; Bill O'Reilly, Estates Manager, Connolly Hospital, Health Service Executive. Chaired by Duncan Sissons

16:35-17:35 Conference Closing Remarks – Paul Fenton MBE, IHEEM President

**Please note that this Conference Programme is subject to change*
