## Room units from Belimo

The new bus-capable room units (sensors and room operating units) are the perfect addition to the existing product range. With the expansion of the product range for visible areas of the room, Belimo offers architects an aesthetic and timeless design. Installers appreciate quick installation and system integrators value easy commissioning with a smartphone. End customers enjoy not only a comfortable and healthy room climate but also the intuitive operation.

- Aesthetic, timeless design
- Room operating units with ePaper touch display
- Fast installation thanks to spring-loaded terminal blocks and snap-on cover
- Parametrisation and diagnosis of active devices via Belimo Assistant App
- Seamless integration thanks to Modbus RTU, BACnet MS/TP, MP-Bus or analogue voltage outputs
